NEWS OF OUR MEN and WOMEN IN UNIFORM

Private First Class Augustus F. Vujevich, son of Mr. and Mrs. H. Vujevich, 182 Los Olivos avenue, Daly City, has arrived at the University of Cincinnati, Cincinnati, Ohio, for Army Specialized Training Program basic engineering work with the 1555th Service Unit (ASTP), Colonel Ward E. Duvall, commanding officer, reported today.

Private Vujevich attended Jefferson Union high school, a n d San Mateo junior college. Before being assigned to the university here, he was stationed at Santa Rosa junior college.

Private Robert Francesconi, 19-year-old former resident of Daly City, was promoted recently to the grade of corporal in the Army Air Forces, and is stationed at Walker Army Air field, Victoria, Kansas.

Corporal Francesconi, son of Antonio Francesconi, 1139 Brunswick street, has been in the army for 14 months and is attached to the guard section at Walker Army Air field.

Prior to entering the armed forces, Corporal Francesconi was employed in a meat packing plant in South San Francisco.

Howard Wilson, graduate of Jefferson Union high school, is now on overseas duty. He was stationed at Long Island, New York, with the Signal Corps of the U. S. Army. He's a brother of Roy Wilson, who formerly operated the Daly City Creamery, and of Walton Wilson who lives at 353 Winchester street.

By direction of the President the Oak Leaf Cluster in lieu of an additional Air Medal was awarded, February 5, 1944, by Lieutenant General Millard F. Harmon, commanding United States Army Forces in the South (Continued on Page 11)

Ninety-One To Take Physicals Saturday

The 91 registrants who have been ordered to report for their pre-induction physical examinations by Daly City Draft Board No. 103, Saturday, March 25, are advised that there will be a special meeting for them the day before, Friday, March 24, 1 p. m. at local headquarters, second floor, city hall, 75 Wellington avenue. Mrs. Isabelle Flynn, chief clerk, urged that all be present.

On March 28, the local board will send twenty men to the Navy for induction. Their pre-induction meeting will be held, March 27, 1 p. m. at the city hall office.

Nine men have been notified to report for U. S. Army duty, March 31. They will hold a brief meeting at 1 p. m. that day at the local board and should come prepared to entrain for Monterey immediately following the session.

Service Club Wants Coffee Jars

Have you any empty coffee jars at your house?

If you have, how'd you like to put them to work for the Daly City Servicemen's club, 6201 Mission street? If you will take them to the club the committee in charge will turn them in and the proceeds will be used for the servicemen. A large box has been placed outside the club and local householders may leave the jars there at any time this week or next. The campaign will officially close, April 1.

Individuals are in charge at the club, this week. Sunday evening, (Continued on Page 11)

ule to graduate one of the largest aviation cadet classes in its history.

Graduating cadets who received their wings and commissions and appointments as lieutenants and flight officers in the Army Air Forces, passed in review before Colonel Orin J. Bushey, commanding officer of Pecos Army Air field, in an early morning parade.

Among them was David Albert Grenier, son of Mrs. Mary Grenier, 1130 Brunswick street. He received his silver wings and a commission as second lieutenant.

The new pilot, a former student of Jefferson Union high school, completed a course in training in twin-engine aircraft. He was assigned to Pecos from Thunderbird field, Arizona.

Pecos Army Air field, a station of the AAF Training command, is the world's largest advanced flying school.

Packers' Manager Issues Call For Ball Players

Manager Charles Norry, who piloted Daly City's Farallone Packers into the championship of the Peninsula Summer Baseball league last year, has issued a call for young local baseball players to make up a team for the coming season.

To be known as the Daly City Juniors, the squad will play regularly at Marchbank park, according to Norry, and every effort will be made to give local boys first preference in playing. "The only thing they have to do is show that they are ball players," he states, "to be put on the team. We hope to receive the same good support from fans that we had last year."

First appearance of the year will be Sunday, March 26, at 11 a. m., on the diamond at Marchbank park.

New Postal Rates To Go Into Effect

Postal employees at the Daly City branch post office, 6251 Mission street, have been advised of the postal provisions of the new revenue act which goes into effect, Sunday, March 26.

A table of the new rates has been drawn up for post offices everywhere and among its many provisions are the following:

Letters and written and sealed matter will be 3c per ounce, including those for local delivery.

Domestic air mail rates will be increased from 6c an ounce to 8c an ounce. Parcel post packages will require at least 1c more postage. Money order fees are to be increased as are registered mail fees.

Fees on insured and C. O. D. mail will be doubled.

The rate of 6c per 1-2 ounce still applies to air mail to or from members of the armed forces located at military installations overseas.

War-Time Drives Seek Local Support

Schools Collect Papers, Magazines

Every 100 pounds of waste paper turned in to the Daly City Victory Waste Paper campaign can be quickly converted into vital war materials.

R. L. Crane jr., chairman of the local waste paper campaign, today pointed out that each 100 pounds of waste paper will make:

11 Protective bands for 1,000 pound bombs.

17 Protective bands for 500 pound bombs.

20 Protective bands for 250 pound bombs.

50 Casings for 75mm. shells.

50 V-boxes for food and equipment.

100 Casings for average size shells.

100 Fin locknut protectors for bombs.

115 Cartons each containing ten 20mm. shells.

200 Containers for field rations.

200 Containers for blood plasma.

650 Cartons for U. S. Army K rations.

1,105 Cartons each containing fifteen 50 calibre bullets.

1,470 Boxes for emergency life boat rations.

2,041 Cartons containing one life preserver light.

2,128 Cartons each containing fifty 45 calibre pistol bullets.

2,911 Cartons containing ten cartridges for inflating lifeboats.

"Old newspapers and magazines are needed immediately as a raw material for the manufacture of these essential war items," the chairman explained.

Daly City's paper drive will continue until March 31. All schools of the Jefferson Elementary (Continued on Page 11)

Reardon Explains New Transfer Plan

Police Chief James G. Reardon, this week, urged the public to cooperate with the new plan devised to eliminate some of the traffic hazards occasioned in Daly City by the Market Street railway's No. 40 transfer here. The innovation is to have the No. 14s let those riders who wish to continue on down the Peninsula off on Mission at the Bank of America. From there, they merely walk to the San Jose avenue side of the Bank of America and board the No. 40, which backs up to the end of San Jose avenue now and does not stop at the Hillcrest island at all. Daly City people who are leaving from here for downtown-Peninsula points should come to the San Jose avenue terminal to catch the car, unless, of course, they live nearer Vista Grande avenue, first stop after the top of the hill, or below.

CHINA BOOK WEEK

The Daly City Public library, 6351 Mission street, will observe China Book Week, March 25 through March 31, according to Mrs. Jean O'Rourke, head librarian. Fiction and non-fiction dealing with China will be displayed in both the adult and children's sections of the library.

Purpose of China Book Week is to call to the attention of local residents facts about the valiant country which is this nation's ally in the Orient. China's illustrious history, as well as present dramatic role in her struggle for existence against the Japanese war lords, will be stressed.

PLEASE CHECK!

Local residents who have relatives and friends in the armed forces are asked to stop in at the city hall, 75 Wellington avenue, to see if the long list of names on the newly-installed honor plaques include those servicemen they know should be represented there. Councilman John J. Fahey, chairman of the project for the city council, explained that some names might be missing due to unavoidable oversight in copying the names at the draft board or to the fact that some men volunteered before the draft board setup went into effect.

Those who know of names which should be on the board, but are not, are asked to leave them at the police department, first floor, city hall, or at Fahey's office, 3 Wellington avenue.

There are two of the attractive service boards, one on either side of the main foyer at the city hall. Glass encased and handsomely framed they will serve as a permanent honor roll for Daly City men and women who served in the armed forces of the United States during World War II.

Firemen To Call On Local Residents

This isn't going to hurt a bit—even if it costs you cash and blood!

Daly City's volunteer firemen will make a canvass of the entire community soon and they will be presenting tickets to their annual ball and pledge cards for the San Mateo County Blood Bank.

The annual ball is given by the Widows' and Orphans' association of the Daly City Fire department. This year it will be the "Victory Bond Dance" and the usual highly successful evening is promised. It will be held, Saturday night, May 6, at Lovchen Gardens, Colma. Music will be furnished by Johnny Dell's union orchestra.

The firemen are assisting the San Mateo County Blood Bank by distributing pledge cards at the time they canvass the community, as has been their custom for many years, on the annual ball. Those who sign up to give a pint of their blood to the bank will be advised of a date on which transportation will be provided to San Mateo for them.

Chief Andrew P. Chesney asked for public cooperation on both worth-while projects.

League Asks Action On Hospital

Tonight, March 23, the fourth meeting of the Northern San Mateo County Municipal and Civic league will be held at South San Francisco City hall. The planning group had its inception at a meeting held in Daly City, last month, and now includes representation from this community, South San Francisco, Colma, Lomita Park, Rockaway Beach, Sharp Park, Bayshore, Brisbane, and Millbrae. In order to interest San Bruno in participation a delegation from Daly City attended that city's council meeting, last night. Majority of Daly City's official family will be at tonight's meeting.

Immediate objective of the group will be to secure an emergency hospital for this end of San Mateo county. The league has already outlined the urgency of the project to the San Mateo County Planning commission. Organizations are asked to endorse the building of an emergency hospital. Red Cross Needs \$5,000 Additional

Are YOU one of the reasons Daly City still has a long, hard campaign to sustain in reaching its \$8,000 American Red Cross War Fund goal? If you haven't made a donation yet, you are!

Mrs. Joseph Conlon, 462 Templeton avenue, in charge of the women's division, and John Degliantoni, 6301 Mission street, who heads the business district drive, report that Daly City is nearing the \$3,000 mark—but that's only 37 1-2 per cent. Both praise their workers as loyal and energetic. They have been handicapped, however, by two misunderstandings which seem to be fairly widespread:

1. When the San Mateo County War Chest was held, the phrase "give once for all" was widely employed. This did NOT mean that the drive included the Red Cross. In fact, newspapers, radio, and other publicity media specifically pointed out that the War Chest did not cover the Red Cross. Local residents are urged not to conclude they've already helped the Red Cross with their contribution to the War Chest. No part of the War Chest went for the work of the American Red Cross, which needs twice its usual funds to carry on its extensive program of welfare work, much of which is directly for the armed forces of the United States.

2. Many residents here say "we gave in San Francisco." It is true that numerous companies did handle collection of contributions from employees for the Red Cross, but it is asked that all who can possibly afford it donate again (even if a much smaller amount) in their own community, Daly City, as there is no allocation which would distribute out-of-county contributions back to the donor's own city. Besides, the funds which San Mateo county will have available for local aid programs such as visiting nurses and service to members of the armed forces within the county, will depend on how well the (Continued on Page 11)

Colma Arranges Saturday Rally

Mrs. M. Pauline Brown, chairman for the Red Cross War Fund drive in Colma unincorporated, reports, this week, that 30 per cent of the district's quota has been reached. Since many workers have not yet handed in their money and lists and nearly all workers are continuing to solicit contributions, it is hoped the \$3,000 quota will be met by March 31.

In order to provide opportunity for residents, who report they have not been home when solicitors called, to contribute, the committee has made special arrangements.

On Saturday, March 25, a Colma War Fundmobile will be stationed in front of Anchor Drug store, Mission and Market streets, from 9 a. m. to 8 p. m. A group of workers will be on hand to solicit and accept contributions for the American Red Cross War Fund the entire day. Short programs of music will be featured from time to time.

Eugene Lagomarsino and George Ricconi are making the signs and decorations for the War Fundmobile. Pupils in Jefferson elementary school are making posters to give publicity to the Saturday event.

The committee said that they hoped everyone who has not made a contribution to the War Fund yet will take the opportunity to do so, Saturday.

Miriam Hopkins, Bette Davis Star

A powerful, moving drama of two women, diametrically opposed in character, whose lives, nevertheless, are closely interwoven throughout a long span of years, will be the new film fare presented at the Daly City theatre tonight. The Warner Brothers' picture is "Old Acquaintance," which reunites the two great stars of "The Old Maid," Bette Davis and Miriam Hopkins.

"Old Acquaintance," based upon the Broadway success of the same name by John Van Druten, who also collaborated on the screen play with Lenore Coffee, was directed by Vincent Sherman and features Gig Young, John Loder and Dolores Moran.

Bette Davis is cast as Kit Marlowe, successful young novelist who visits her home town as the guest of her childhood friend, Millie Drake (Miriam Hopkins), hard, calculating young matron, with a soft, feminine exterior. Although happily married and an expectant mother she secretly envies Kit and strives to emulate her. Superficially prolific, she writes a sugar-coated novel and, with the aid of Kit, it becomes a huge success.

The next eight years see Millie as the author of as many consecutive best sellers, living in splendor and enjoying herself hugely. Her domineering airs and lavish living serve to alienate both her husband Preston and her daughter Deirdre; who turn to Kit for warmth and sympathy.

In a heated quarrel with Millie, Preston packs up and leaves, but not before declaring his love for Kit and asking her to go with him. Although loving him, Kit refuses out of loyalty for Millie. It is ten years before they meet again and when they do Preston, an army Major, is engaged to marry, and Kit, too, has found romance in the person of Rudd Kendall, a young man ten years her junior whom she holds off because of the difference in their years.

Meeting Preston again, Millie plots to win him back and when she fails, vents her spite on Kit, accusing her of stealing her husband and playing around with a young man. Deirdre, grown to beautiful young womanhood, arrives to receive the back-lash of her mother's rage and to hear her accusation of Kit. Having spent the day with Rudd she is surprised and shocked to learn of Kit's intentions to marry him.

In the meantime, Kit, fed up with Millie's ways, decides to marry Rudd, but he, by this time has fallen in love with Deirdre. Masking her disappointment, Kit strives to get Deirdre and Rudd together, and when she returns to her lonely house, she finds a repentant Millie awaiting her.

At the sight of Millie, ludicrous in her eagerness to be forgiven, Kit's sense of humor, always ready to serve her in her life-long acceptance of Millie, saves the situation and the two old friends, faced with a lonely middle-age, drink together to "old acquaintance."

Current Attraction At Daly City Theatre

Miriam Hopkins and Bette Davis, co-starred in Warner Brothers' "Old Acquaintance," are shown in a dramatic moment from the picture which is based on the successful stage play by John Van Druten. The film starts its engagement tonight at the Daly City theatre.

Article Mentions Dr. Lawler Drees

The April, 1944, issue of the Woman's Home Companion carries an article which mentions Dr. Lawler A. Drees, who formerly operated Junipero Serra hospital at Briggs and Pierce streets, Colma. It tells of how Dr. Drees was instrumental in the setting up of a hospital at Tulagi in the Solomons.

The article's author described the hospital which Dr. Drees and his five confederates had managed to establish, mostly by dint of ingenuity and courage, as one of the finest little naval hospitals in the entire South Pacific.

May Build 305 Homes In This Community

Tentative plans for constructing 305 homes in Daly City have been submitted to Arthur J. Bodien, building inspector, by an undisclosed contractor who plans to lay out a tract adjacent to Hillside boulevard. Largest project of its kind to be suggested here for some time, the plan is subject to priority approvals and other possible war-time delays.

At present, nine homes are being built here by M. J. King, contractor. They are located on Hillside boulevard near Gambetta street. They are all 5-room residences and represent the first major building activity here in more than two years.

Youths Should Carry Proof Of Age

Job-seeking boys and girls under 20 who leave home should carry with them proof of their age, Katharine F. Lenroot, chief of the Children's Bureau, U. S. Department of Labor, said today. Otherwise, they are apt to find themselves stranded and unable to take the war jobs on which they are needed.

They should carry with them a copy of their birth certificate, a church record, such as baptismal certificate, or an insurance policy of several years' standing on which their birth date is recorded. Without such proof of age, Miss Lenroot pointed out, they are apt to have trouble when they apply for a job, for employers generally now require age certificates in order to safeguard themselves under Federal and State child-labor laws. The war plants which offer the favored job opportunities, are all operating under Federal laws.

NEED NURSES

Army and Navy quotas for nurses needed this year have been released by the Directing Board of Procurement and Assignment of Nurses, War Manpower Board, according to the report of the Nurse Recruitment committee of the San Mateo County chapter, American Red Cross.

"It is urgent that a minimum of 4,000 nurses be procured for the Army and 1500 for the Navy in 1944. Seventy-five per cent of the total quota is required by April 1," states the directing board.

"California must supply 561 nurses to the armed forces before the end of March, and the required quota for the state by June 30 is 748 nurses. Ninety nurses were assigned from California in January."

"The Red Cross has been asked to serve as recruiting center for nurses for the armed forces," states Miss Florence Boddy, chairman of the Nurse Recruitment committee. "Registered nurses who are under 45 years of age, are citizens of the United States or allied countries, and are able to meet the mental and physical requirements, are urged to apply at once. Information and applications may be obtained from the Red Cross Nurse Recruitment office at 1304 Howard avenue, Burlingame, telephone 3-4561."

Fahey and Cavagnaro CITY COUNCILMEN

Daly City has a LOW tax rate, and this has not been at the expense of improvement and progress. We are proud to stand on our record of honest, efficient and economical administration of civic affairs.

During our terms as city councilmen, among the permanent improvements we have helped obtain for local residents are the new city hall, extension of fire alarm and water systems, extension of street paving, beautification of Marchbank park and construction of one of the finest baseball fields in the state, completion of Lincoln playground, radio system for modernization of the police department, improvement of the public library, and other steps for the safety and convenience of our people.

Another major achievement was the establishment of our new fire department, a model of efficiency and maximum protection. This was accomplished by cooperation by our council with the fire underwriters, resulting in the improvements' total cost being more than offset by lowered insurance rates within the city.

All these improvements have been paid for out of general funds and bond issues voted by the people, and in every instance Daly City received full value for every penny spent.

DISTRICT HOLDS MEET

At the Seventeenth district, CCPT, executive board and presidents' meeting held in Burlingame, Thursday, Mrs. Stella Jensen, president, reported on the recent State board meeting held in Los Angeles, March 6 and 7. As unopposed nominee for State president next year is Mrs. J. J. Garland of Menlo Park, a past president of this district; also unopposed for third vice-president, is Mrs. B. D. Ralston of Woodside, past president of the district. This is an unusual distinction as the district has had only one State president heretofore, Mrs. William J. Hayes.

COURAGE—AND DOUBLE TALK

The recent exploit of an American flying lieutenant who single-handedly—and without permission—flew a giant Liberator bomber through heavy storms to blast the big Jap base of Rabaul, furnished a remarkable exhibition of courage—and double talk.

The courage, of course, was the flyer's. He successfully completed a job that ordinarily requires six or seven skilled airmen. The double talk came from his commanding General who said, "In one brief mission this young man has set for us both a very bad example and a most brilliant one."

But what else could a commanding officer say? American youth is brave to the extent of foolhardiness at times. But it is this very daring—doing the thing that can't be done or even shouldn't be done—that makes our men the fighters that they are.

The general made it clear that "such unauthorized and ill-advised efforts will positively be prohibited in the future," while in the same breath he declared, "His courage and determination to come to grips with the enemy are a source of pride and inspiration to all of us."

Well said, general! Well done, lieutenant!

SIMPLE—VERY SIMPLE

Nothing could be more simple than a shoe lace—so we thought. However, the "GI" description makes it a trifle complicated by stating that it "consists of a manually operated length of string joined together by stitching so as to form a superficially broad-surfaced appearing ribbon of rugged texture."

Is that what we use to keep our shoes on?

Girl Scout Troop 4
Holds Court Of Award

To commemorate the thirty-second anniversary of Girl Scouting, Girl Scout Troop No. 4 held a Court of Awards and program, Monday afternoon, March 13, at Grace Church of the Nazarene.

Invited guests to the program were: the Girl Scouts of Troop No. 2; the ten Brownies who flew up into Scouting the previous week; Mrs. D. C. McKisson, wife of the pastor of the Nazarene church; Mrs. Hazel Marsh, Mrs. Van Vliet, Mrs. Charlotte Kenny, leaders of Troop No. 2; Mrs. Hilda Heagney and Mrs. Elsie Hesslein, leaders of Brownie Pack No. 8; Mrs. Florence Hopman and Mrs. Emma Sorg, committee members; and the mothers of the girls of Troop No. 4.

Three new girls, Bobbette Hudson, Dolores Teahan and Patsy McLeod, were welcomed into Troop 4 and given their Tenderfoot pins. Christine Moyshepoulos and Kathleen Curtin were accepted as transfers. The following girls received their Public Safety badge: Lois Rentsch, Janet Petersen, Kathleen Cutin, Dolores Teahan, Christine Moyshepoulos, June Lemon, Dorothy Hacker and Joan Hopman. The Cook badge was earned by Christine Moyshepoulos. Surgical Dressings
Dept. Needs Workers

The Surgical Dressings department of the San Mateo County chapter, American Red Cross, is in urgent need of volunteer workers to make dressings. This department has been given an additional quota over and above its regular monthly quota, making in all 100,000 dressings a month to be furnished to the armed forces. It is of vital importance that they do not fail to meet this request from the military.

Volunteers are urged to go to the nearest workroom and help in this emergency program. Those women who can only spare a few hours a week, but would like to make an invaluable contribution to the war effort are also urged to sign up now.

"Let's all help!" says Mrs. Samuel Crim, chairman of the Surgical Dressings department.

Daly City's workroom is located in Theatre hall, above the Daly City theatre. Hours are from 10 a. m. to 4 p. m. every Wednesday and Friday. The location was made available by J. W. Marchbank, owner of the Daly City Record.

It means a lot for a boy in the service to talk to his friends and family back home. Usually the best time he has to do that is in the evening.

How about giving him a break by not using Long Distance from 7 to 10 P.M. unless it is absolutely necessary?

WARNED YOU ABOUT CALLING THE SALVAGE COMMITTEE BEFORE I FINISH MY READING

MEET THE CANDIDATES

Edmund Cavagnaro

In continuing a discussion of progress made by your city during my service as councilman I would like to point to the celebration of our thirtieth anniversary of the incorporation of Daly City, June 8, 1914, when all of the community was represented in the parade and dedication ceremonies at Lincoln playground and Marchbank park.

Since that dedication many service and semi-pro teams have played on the outstanding baseball diamond at Marchbank park, which has gained a reputation as one of the most beautiful baseball parks in the Bay area.

Another thing I should like to point to is the spirit of cooperation and harmony which exists on your city governing body at this time. An example of this is the manner in which Daly City's Servicemen's club was started. The service club was made a reality when a meeting was called by your city council with members of the recreation committee, Women's Civic club, Veterans groups and Native Daughters to discuss the establishment of such a club. The council assured those interested that such a center would receive their approval and the council itself visited centers at South City and San Bruno to study the functioning of such clubs.

Because I have shown my ability to work with all members of the council and with the public for the good of all the people I feel that I can serve you well if elected for another term, and I ask your support at the polls, April 11.

(Signed) Edmund Cavagnaro

Edward J. Dennis

Endorsement by the Daly City Better Government club of my candidacy for city council is highly complimentary and has my deep appreciation. The resolution adopted by the club setting forth conditions existing here is enlightening, and I believe on April 11 the people will consider it well, when they go to the polls to vote in the city election.

The careful study made by the Better Government club of city governmental conditions shows careful consideration and intelligent thought. I hope every voter of this community sees a copy of that important resolution before going to the polls.

As suggested by the Better Government club, I have talked with Candidate Burton L. (Bert) Meritt, and we have decided to unite our efforts and run on a ticket for the two city council posts. With such fine support as has been manifest thus far, it is encouraging to enter the field of public service. Any ticket that combines business and labor, and I represent the working man's viewpoint on this ticket, gives promises of a city government representative of all the people.

Sidney F. Rankin Passes Away, March 20

Sidney F. Rankin, 64, a Daly City resident for 15 years, passed away at his home, 215 Willits street, Monday, March 20; he had been ill for some time. A veteran of the Spanish American war, he was a member of the National Federation of Post Office Clerks.

Surviving are his wife, Mrs. Minnie Rankin, and his children, Robert, Sidney F. jr., Pearl, and Daisy Rankin, and Mrs. Jack Dew. Arrangements for the funeral services were pending, Tuesday evening. They were to be held at the W. C. Lasswell and company chapel with interment following at Golden Gate National cemetery.

BIRTHDAY PARTY

Beverly Sundermann celebrated her fifth birthday, March 11, with a party. The table was decorated in pink and blue. A large cake with "5 years old" written on it highlighted the refreshments.

Several little friends spent the afternoon playing games and had their pictures taken. Those present were Janice Killalee, Jimmie and Carol Costello, Billie Corkey, Ronnie and LeRoy Davis, Lillianne Boynton, Patsy and Marie McGraw, Bobbie Sorich, George Ambrosio, Linda McArdle and Doreen McDonald.

Beverly received many lovely gifts. She is the daughter of Mr. and Mrs. Henry Sundermann jr., 32 San Pedro avenue.

John J. Fahey Sr.

My record as a city councilman and as mayor is well-known to the people of Daly City. As one of the administrators of your city government it has been my honest endeavor to keep taxes down to a minimum. Daly City has a low tax rate and this is not at the expense of improvement and progress. The new city hall, parks and playgrounds, new firehouses, new fire engines, many newly-paved streets, extension of water line, and many other improvements were acquired by Daly City during my tenure of office.

Many of these improvements were paid for out of general funds and some by bond issue voted by the people, but in every instance Daly City got value received for every penny spent for improvements. Our city has made steady, healthy progress, kept taxes down, and at all times remained and now is in a very healthy financial condition.

I am proud of the part I have had the privilege of taking in the administration of your affairs. As long as I am a member of your city government I shall continue to give you an honest, efficient and economical administration of your affairs. On the basis of my official record I solicit your support at the polls on April 11, 1944.

(Signed) John J. Fahey

Burton L. (Bert) Meritt

The resolution of the Daly City Better Government club, endorsing my candidacy for city council, I consider high tribute, and I am deeply grateful for this fine support. This civic-minded organization has performed a real service by the survey conducted to determine conditions in city government, and I believe the voters of this city will be glad to know the findings.

At the club's request Edward J. Dennis and I plan to combine our candidacies and run as a ticket, which will have for its purpose the defeat of the two incumbent city council members seeking re-election. We plan to wage a clean, intelligent and active campaign, pointing out what we believe can be done by us as city councilmen to further the welfare of Daly City and all its people.

As a business man of long standing in this community, I am happy to cast my lot with a representative working man on a city council ticket. In such a manner can the citizens of this community be assured of representative government for every resident.

BETTER GOVERNMENT CLUB ENDORSES

EDWARD J.

DENNIS

FOR CITY COUNCIL

BURTON (BERT) L.

MERITT

IN A PUBLIC RESOLUTION JUST ADOPTED BY THE DALY CITY BETTER GOVERNMENT CLUB, FOLLOWING A SURVEY OF CITY GOVERNMENTAL CONDITIONS, THE CLUB REPORTS ITS MEMBERS HAVE ENDORSED DENNIS AND MERITT IN PREFERENCE TO THE TWO INCUMBENTS SEEKING TO RETAIN THEIR JOBS, BECAUSE . . .

"WE FIND . . .

1. "An increase of virtually 36 per cent in the city's tax rate.

2. "Hundreds of thousands of dollars credited to the purchase and maintenance of parks and playgrounds, and with little or no such facilities available to the public, except at the high school playground for which the city government pays nothing.

3. "Not a single step has been taken toward providing retirement security for city employees, despite the fact the city has an ordinance requiring that such a system be set up, and in direct defiance of a mandamus order from the county superior court that such a plan must be adopted as the ordinance requires. Virtually every city in the county and state the size of Daly City has such a merit system and retirement program.

4. "The people of this city are being forced to pay nearly 7½ cents for a water reserve fund, when the city water works nets the city more than \$30,000 a year after all expenses, including garbage collection, are paid.

5. "That the city council in 1940 when both incumbents were in office, went absolutely contrary to the wishes of the people in the expenditure of monies raised by bond issue for improvement of the fire department, and as the result proper equipment is not even yet available to the fire department, despite the fact we have passed through some very threatening times, when the equipment sought would have proved invaluable in case of bombing or sea attack, and the menace is not yet over.

6. "In 1938, when both incumbents were on the council, and the city passed a bond issue to augment federal funds available to build a new

city hall, the incumbents were so shortsighted and apparently incapable, they constructed a city hall smaller than the old one, despite the fact that adequate federal funds were available for a city hall to meet the city's needs for years to come. As a result of the shortsightedness and incompetence, valuable city records are now being kept in private homes without the protection necessary for their indefinite preservation as required by law and expedience.

7. "The two incumbent city councilmen are playing politics with the social and economic well-being of our city employees by their arbitrary and consistent refusal to grant all city employees a living wage to meet the unusual high costs of the times.

8. "The most ridiculous of all their acts is undoubtedly the installation of a radio system in the police department which enables patrol cars to contact the station, but the station cannot contact patrol cars. In an emergency it would be difficult to receive speedy aid because of this incompetency.

9. "Last, and most important of all, we find not a single step has been taken toward Daly City's post-war period, while cities all over the nation are planning intelligent programs to provide employment and assistance to those who will need it during the change-over, when there is no more war industry."

LET'S ELECT DENNIS and MERITT

TUESDAY, APRIL 11

This advertisement paid for by the Daly City Better Government Club

LIST OF CANDIDATES

Frank M. Jordan, secretary of state and California's chief election officer, March 17, released the official list of candidates for the consolidated primary elections, May 16, which showed 324 men and women aspirants for 124 congressional and state legislative posts.

Jordan said of the total candidates for nomination 164 are registered Republicans, 156 Democrats and four Prohibitionists.

Broken down by office eight Republicans are running against four Democrats for United States Senate; Congress, 43 Republicans, 36 Democrats, 2 Prohibition; State Senate, 18 Republicans, 13 Democrats; State Assembly, 95 Republicans, 103 Democrats, 2 Prohibition.

Jordan's figures disclosed there are more candidates running for the one seat in the United States Senate than any other office. Eleven men and one woman are in this race.

In the campaign for the 23 seats in the house of representatives, three women are participating, with ten running for the state assembly.

In only one congressional district, the fifth, is the incumbent unopposed.

For the 20 seats being sought in the state senate, 12 candidates are unopposed, among them Harry L. Parkman, Millbrae, who seeks a return as state senator from this district (the Twenty-first).

The state assembly race shows 24 of the 80 offices are unopposed.

ed. Harrison W. Call, Redwood City, incumbent for this assembly district (the Twenty-seventh) is among those unopposed.

RED CROSS HELPS

Just as the Red Cross stands beside the man in service in his hour of need, so it stands ready to help his family in time of sickness and worry.

The Red Cross Visiting Nursing service becomes more important daily to both service personnel and civilians who know the worry of sickness, especially now when there is such a shortage of doctors and nurses.

An influx of families of servicemen and war workers and the shortage of doctors and nurses have joined to bring about community nursing problems which are greatly lessened by the Visiting Nursing service which the Red Cross provides.

Due to the fact that hospitals are so crowded, patients are released more quickly than heretofore. Through the Visiting Nursing service a graduate, registered nurse is available to give them care in the home in short daily visits.

For those who are financially able to pay, the fee is \$1.25 a visit. Where there is only a small income, the fee is reduced to meet the ability to pay. Last year no charges were made for one-third of the 12,728 visits.

Mrs. Phillips and Mrs. Evans represented Pershing unit at the district meeting, Thursday, March 16, at Burlingame high school.

First Township Has Contest For Committee

Contests for San Mateo county central committee posts occur in only two out of five townships for the Democratic ticket and two for the Republican ticket, according to information released by County Clerk William H. Augustus. These will be decided at the May 16 consolidated election.

One of the four contests is the Republican for the First Township, which includes Daly City. Those filing nomination papers for the county Republican Central committee from this township were Clifford J. Pettigrew, Leon Brickeque, Glenn R. Baker, Joseph L. Sarto, William A. Degliantoni, George E. Smith, and Thomas A. Callan. Four are to be elected.

Can You Picture DALY CITY Without Newspapers?

Headline news. War news. Foreign, national, local news. Births, weddings, deaths, politics, the comics. What would we do without newspapers! Most folks take this service for granted. But our strong, free press, serving a free people, would be the first thing dictators would suppress if they had the chance. Everybody here, and in cities and towns throughout America, depends on newspapers for information, inspiration and entertainment. We're all proud of our press and its vital part in American life.

Greyhound and Newspapers Work Together

Greyhound, just like your newspaper, renders an essential service. Like other business firms, Greyhound uses newspapers to contact its customers. In the West alone, regular Pacific Greyhound Lines advertising in more than 500 newspapers keeps people informed about bus travel service. In turn, Greyhound is an important factor in news distribution, carrying many newspapers into areas not served by other forms of public transportation.

Greyhound salutes your newspaper in which this message appears. It is an indispensable part of your daily life. With its help, and that of other newspapers, we are building a transportation service that is playing its part in the development of this city. Greyhound service will grow in value to the country, to the community and to you.

DORIS LEARNS FROM LYDIA

IT'S ABSURDLY SIMPLE, DORIS! FOR MONTHS, I'VE BEEN BUYING ALL MY MEAT AT SAFEWAY—

SUNDAY EVENING

Julia tells How to make easy, mouth-watering desserts

SOMETIMES desserts are a problem this time of year, aren't they? Except for the familiar stand-bys, it's hard to find exciting fresh fruits—and yet, there are lots of easy-to-make, mouth-watering, month-of-March desserts! For example, (and the surprising thing about this one is that it makes its own sauce while it cooks):

BAKED FUDGE PUDDING

1 cup enriched flour	2 tbsps. melted shortening
2 tbsps. baking powder	1 cup coarsely chopped walnut meats
¼ tsp. salt	1 cup brown sugar, firmly packed
¾ cup sugar	1½ cups hot water
5½ tbsps. cocoa	
½ cup milk	

Sift and measure flour; sift with baking powder, salt, sugar and 1½ tbsps. of the cocoa. Add milk, shortening, and nut meats; mix well. Spread into well-greased cake pan (8 x 8 x 2). Combine remaining cocoa and the brown sugar; sprinkle over top. Pour hot water onto tablespoon, allowing to overflow onto mixture. Bake in moderate oven (350° F.), 45 minutes, or until done. May serve warm or cold with pour cream or sweetened whipped cream. Serves 8.

Just to show you that the problem of making good desserts right at the beginning of spring is nothing new, here's an old solution that's still full of palatable-tickling virtues:

MY MOTHER'S LEMON BREAD PUDDING

3 cups milk	¼ tsp. nutmeg
3 cups bread, broken into small pieces	1½ tbsps. grated lemon rind
3 eggs	¼ tsp. lemon extract
1 cup sugar	

Pour milk over bread; let stand until bread is well soaked, about 20 minutes. Add slightly beaten egg yolks, ¾ cup of the sugar, nutmeg, and lemon rind. Beat thoroughly with rotary beater. Pour into 1½ quart well-greased baking dish. Bake in pan of hot water in slow oven (325° F.) about 1 hour and 20 minutes, or until slightly brown and pudding begins to leave sides of pan. About 15 minutes before pudding is done, make meringue by beating egg whites just until stiff. Add remaining ¼ cup of sugar, 1 tbsp. at a time, beating until well blended after each addition. Continue beating until mixture holds a peak. Add flavoring. Pile on pudding and return to oven. Bake in moderate oven (350° F.) about 15 minutes longer, or until meringue is brown. Chill; serve with spoonfuls of red jelly on meringue. Serves 6.

And of course there are ingenious ways to use packaged puddings and home-made cornstarch puddings, in making out-of-the-ordinary desserts. They can be glamorized, for instance, by:

1. Pouring over cupcakes, or left-over cakes—
2. Putting layers of graham crackers and pudding mixture in a well-buttered deep pan, and topping with jam, marmalade or preserves—
3. Using as pie or tart fillings in baked pie shells.
4. Using as cake frosting, and sprinkling with chopped nuts.

News From District Grammar Schools

AT CROCKER

The pupils of Room 3 were sorry to hear that Maxine Medeiros was leaving Daly City.

Maxine is moving to Los Angeles.

The pupils of Room 6 were shown a very interesting sound film in three reels, "The Re-Creator," in connection with their social science unit on Conservation. This picture was most interesting as well as educational.

Evelyn Madriago, Room 2, visited relatives in San Jose during the weekend.

AT WOODROW

In correlation with their unit of work on parks and monuments the pupils of Room 5 presented a program observing Conservation Week. The program was opened by Vincent Harju. The life of Luther Burbank was presented by Helen Kimler and Mary Pedersen.

The reading of Joyce Kilmer's appropriate poem "Trees" was rendered by Vincent Harju. The history of California's State emblems, the bird, butterfly, animal, flower, tree and the various phases of the conservation of timber, fish, health, safety and education were presented by many students of the class. The pupils of Room 5 have been very generously donating their pennies to the "Penny for a Pine" drive.

Conservation Week in California was observed from March 7 to March 14. To further interest in the importance of California's resources, individual booklets were made by the members of the class in which the various state emblems, material on Arbor Day and Luther Burbank were displayed along with discussions on the importance of conserving natural resources.

Leroy Gonzales, Leroy Davis, and John Kapor, Room 8, are preparing slides to show on the topic, "Shelter," which they chose in connection with the unit "Ancient Civilization." They are drawing pictures of the different types of ancient homes on frosted glass and coloring them. On Monday they will project these slides onto a screen and tell the class about each one.

Room 9 is learning how the first farmers of Egypt and Mesopotamia raised their crops. The Nile river was the source of rich, fertile soil for the great civilization which developed.

Room 12 has been learning to draw and design all-over patterns. Each child will make an original design symbolic of the class unit for their booklet cover of "Problems of the Machine Age."

Last Monday, Room 15 saw a very interesting film "Acorns to Bread." The film showed how the Indians made bread from acorns.

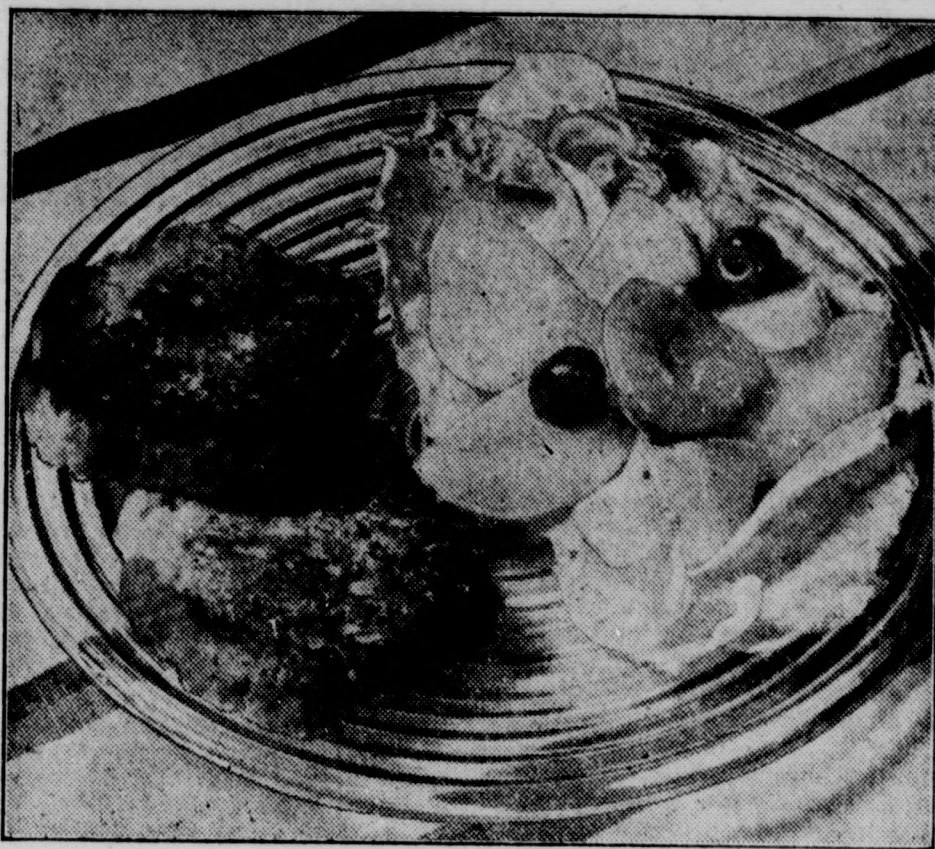

Room 14 spent a very enjoyable social studies period last Friday. They saw slides of many of the California Missions. They also had an opportunity to see many flat pictures of these missions. During art period many of them drew pictures of Father Serra or their favorite missions.

AT JEFFERSON

The coming of spring is being appropriately noticed in most of the classrooms in Jefferson elementary school, either in school-room decorations or in some part of their programs.

On Tuesday, the eighth grade had lantern slides showing California wild flowers, and Yosemite Valley during their social science period. The next day, as the chil-

Toast is a Host in Itself!

It is said that in no country in the world is toast so popular as in the United States. The reason, no doubt, is because toast is so quick to come to the aid of the clever homemaker. As a nation we welcome anything that simplifies and adds variety to living.

Toast offers a firm foundation for many an appetizing and substantial dish. Creamed mushrooms, chicken, tuna fish. Toast is a host in itself when served with fruit salad, supplying many of the food elements that complement the vitamins and minerals contained in the fruit and lettuce.

Topped with a sweet spread, toast with tea provides the quick pick-up for flagging energy.

There is as much variety in "toasts" as there are breads, and no matter what bread is chosen,

there is just one simple rule for toast-making. Toast it quickly so that it will be crisp on the outside but soft in the center.

Cut fresh from the loaf and crisped in the toaster—orange bread toast is delicious and the perfect accompaniment to a fruit salad. Made with the new blended shortening it fairly melts in the mouth.

Orange Bread

1/4 cup blended shortening 3 teaspoons baking powder
1/2 cup sugar 1/2 teaspoon salt
1 egg 3/4 cup orange juice
2 cups sifted flour 3 tbs. orange rind
Cream blended shortening and sugar. Add egg, mixing thoroughly. Sift flour, baking powder, salt together. Add alternately with orange juice. Fold in grated orange rind. Do not overmix. Make in an 8x5 1/2 x 2 1/2 loaf pan in a moderate oven (350° F.) for 1 hour.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four. OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

POLICE

(Continued from Page 1)

Fort Daly City investigated a report that a plane had gone down in the hills back of the Geneva avenue quarry. They found no trace of the ship which had been described as a small plane, flying low, with its motor missing. The report came in at 11:30 a. m. to the local police department.

March 18, at 9:53 a. m. Officer George Hopman investigated a theft which took place at the property of Mrs. Bernstein, Junipero Serra boulevard, the night before. Someone had cut a hole in the wire fence at the rear of the chicken yard and made off with fifteen chickens.

At 4:05 p. m., March 18, Officer Hopman, Sergeant Ricco Benedetti and Officer Henry Sundermann jr. investigated an auto and pedestrian accident at Crocker avenue and Irvington street. Iris Libia Johnson, 27 Wilson street, and Karen Elizabeth Marlette, 114 Crocker avenue, were the individuals involved.

William Wade, 20 Valdez street, San Francisco, parked his Ford on Mission street, March 17, between 7 and 11:30 p. m. while he attended the Daly City theatre and it was stolen. He recovered it the next day, March 18, near the S. P. railroad tracks, minus a set of mechanic's tools, fender skirts, and a rear bumper.

Sergeant Benedetti and Officer August Benassini responded to a call turned in when William H. Surtees, 1207 Clayton street, San Francisco, and Joseph Mosen, Sixteenth and Camilla streets, San Francisco, were involved in an auto and street car accident on Mission street between Price and Castle, March 19, at 4:40 p. m.

The days of chivalry may be over but firemen still come to the rescue of ladies in distress! Wednesday evening, March 15, a local woman phoned the police department that she had lost her door keys and was locked out. Chief Andrew P. Chesney and Fireman Ford responded with a fire truck and went through a window to let her in.

Two more workers have passed the \$100 mark in their solicitation. Mrs. Conlon announced. They are Mrs. Lucille Lemon and Mrs. Thomas Gold. Another Girl Scout has joined the capable corps acting as messengers and delivery girls for Mrs. Conlon. She is Shirley Van Vliet. Mrs. Emil Peterson, 463 Templeton avenue, has joined the group of solicitors.

Anyone who'd assist in the canvass of Daly City residential areas for the Red Cross is asked to contact Mrs. Conlon at Juniper 4-6111 or during the noon hour at the Red Cross workroom, Theatre hall, Wednesday or Friday.

"Every bit of help Daly City people will give, either by way of more generous donations than ever before, or by assisting in the drive will be deeply appreciated," Mrs. Conlon said. "The quota is the largest this community has ever been asked to raise."

Those who have not been called on by a solicitor are invited to mail checks made out to the Red Cross to either Mrs. Conlon, 462 Templeton avenue, or Degliantoni, 6301 Mission street.

BAND CONCERT

Jefferson Union high school will end its campaign to raise \$75,000 in War Bonds for the purchase of a P-38, today, March 23. Monday, the student bond sellers had \$1,499.85 to go but were confident of their objective. The plane will be named the "Indians' Revenge."

Climax to the drive to purchase the pursuit plane will come with a special night rally, Tuesday, March 28, when the famed Western Defense band will play and Captain Robert Howard, a P-38 pilot will be guest speaker. The program will start at 8 p. m. but those who attend are invited to come half-an-hour early to see a display of model planes. Jack Dyer, who suggested the name of the plane, is in charge of the model exhibit.

Admission will be free to those students who sold bonds. Many had more than one ticket to their credit and these they are distributing to friends and relatives. Others who wish to attend may do so by purchasing a bond or at least \$5 worth of stamps on the night of the performance.

You'd Better Not Wait So Long--

Miss Genevieve Blue, chief clerk at Board No. 83-12-3, Office of Price Administration, today advised Daly City motorists not to wait until practically out of gas to apply for new allotments. It now takes from five to twelve days to handle gasoline applications, Miss Blue pointed out, and those who expect to get their new books in two or three days are doomed to disappointment.

Miss Blue also issued an appeal for more volunteer workers. The board, located at 470 Grand avenue, South San Francisco, is badly in need of additional help, which can only be supplied on a volunteer basis. Those who could assist in this war service project are asked to contact Mrs. Myra Spangler who is in charge of volunteer clerical workers.
